VERY IMPORTANT PARENT

Dear Frost Families,

We are looking for volunteers to make a difference in the life of a child. The Frost School VIP Committee is asking for your help. If you are available for a minimum of 30 minutes a week, perhaps you could become a VIP. As a VIP volunteer, you will be assigned to work with one or two students each week in either reading or math. You will be provided with an assignment from the teacher that will be easy to facilitate. Activities may include practicing sight words, reviewing math facts, or reading and discussing a book.

If you are interested in joining our TEAM, please complete the form below and return it to your child’s teacher. You will be informed of an upcoming training session for all interested volunteers. If you have any questions about the program, please feel free to email us.

Thank you in advance for wanting to make a difference!

Sincerely,
Mrs. Payette  Ms. Albert  Mrs. Vacchio  Mrs. Price
Principal  Reading Specialist  Instructional Coach  Math Specialist
